### Last Week: Michael Francis

Michael Francis of WINK was our speaker last week. We were privileged to have a raconteur, philosopher, and motivator all rolled into one.

He described working as a stand-up (outside) reporter during snowstorms in Boston, covering the LA Riots, and meeting and knowing George H.W. Bush while working in Maine.

And he told us of moving to Estero from Cleveland, going to work for Terminex, attending bug school in Orlando, becoming a certified Florida bug

exterminator, and getting the introduction to his current employer from a Terminex customer.

He gave us two pieces of wisdom, "Be good to everybody you know, be a giver not a taker" and as an employee, "Be high performance and low maintenance".

Michael has 25 years of journalism and broadcasting experience. As a radio and television news anchor, investigative reporter, general assignment reporter and producer, he has earned 9 Emmy Awards, 5 Golden Microphone awards and Brian Olitsky more than a dozen Press Club awards for journalism excellence.

A career spanning assignments that include Los Angeles, San Diego, Boston, Cleveland, Portland, Maine and Wilmington, North Carolina provided him with experience covering Presidents and international leaders, State of the Union speeches, national and local elections, hurricanes, earthquakes and daily local news coverage.

He is responsible for all aspects of the 92.5 Listener Experience which includes Daybreak with Drew Steele, local news coverage, affiliate relations with Glenn Beck, Rush Limbaugh, Sean Hannity, Mark Levin, Michael Savage, Coast to Coast AM and local weekend programming.

#### NEWS FROM UP THERE

# And you thought the **Great Rotary Derby** was all about fishing?

The two-day ice fishing competition on Lake Winnipasaukee is one of the top fund-raising events in the state, which has enabled The Meredith New Hampshire Rotary Club to donate a total of more than \$1.5 million back into the community for charitable projects, area improvements, scholarships, and families in need over the last 34 years.

If any proof is needed that The Great Rotary Fishing Derby is about more than just success at landing a fish through the ice, the example of Jim Dyer of Meredith and Mike Jakubens of Manchester offers convincing evidence that it is really about something more.

The two long-time friends have been taking part in the derby for over 30 years and maintain steadfastly that they have yet to land a single fish during the derby, although one year they almost pulled a landlocked salmon, (which would have been illegal) through the ice.

But that lack of success hasn't dimmed their enthusiasm for the derby. They were out on the ice with their girlfriends Friday morning, standing next to their shelter (where the temperature inside was close to 100 degrees) and lighting a fire in their barbecue grille while sipping Pabst Blue Ribbon beers.

They said they had started their morning with mimosas (champagne and orange juice) along with their breakfast and were looking forward to a fun weekend of socializing with their fellow ice fishermen while enjoying meals of steaks, sausages, chicken and burgers.

"We've even got a bathroom potty in the second tent and have Internet out here thanks to the Wi-Fi from the hotels. We have everything we need," said Jakubens.

Betsey Donovan, chairman of this year's Great Rotary Fishing Derby, says that ticket sales are excellent this year. "We've gone over 2,000 for the first time in 8 or 9 years," says Donovan.

Those who had the largest fish in each category on either Saturday or Sunday of Derby Weekend will be eligible for the top prize drawing. First prize is \$15,000, second prize is \$5,000, and third prize is \$3,000.

# Rotary Sings When Irish Eyes are Smiling

When Irish eyes are smiling, Sure it's like a morn in Spring, In the lilt of Irish laughter You can hear the angles sing.

When Irish hearts are happy,
All the world seems bright and
gay.

And when Irish eyes are smiling, Sure, they steal your heart away.

## This Morning's Invocation

We confess, O God, that in coming to our weekly meetings we come with an awareness of important purposes, that of renewing our commitment to service, perpetuating Rotary's name and mission, and expanding our influence in the lives of others.

As we participate in our club's avenues of service and in the projects we have adopted, help us to look beyond the tangible physical details of involvement to the ideals, principles, and standards which motivate the tangible things we do.

As Rotaract Week is observed across the Rotary world we offer prayer for the young adults and leaders, that their motto, "Fellowship Through Service," may be realized in significant ways.

Accept our thanks for food, for meeting space and all things physical which enable us to pursue our noble purposes. Amen.
