About the Game of Cornhole

The game “Cornhole” or “Bags” consists of 2 teams of 2 people each, a set of bean bags, and a pair of wooden boards with a hole in the middle. Each team scores by trying to toss the bean bag into the hole. If the bean bag goes in the hole, it is worth 3 points. If it just lands on the board, it is worth 1 point. The game is growing tremendously in popularity across the country.
