

# The Spoke

Our speakers were Janet Martin, interim Executive Director, and Trish Leonard, President of the Board of Directors of the Wonder Gardens. They described the progress that has been made and the plans for continuing improvement of the property including plans for a \$6.5 million capital campaign starting this fall.

This spring, the Bonita Springs City Council

nature and see Florida's wildlife in an intimate way, something that many parks cannot provide.

In mid-2013 the park closed briefly for the first time and that could have been the last chapter in this great story. Instead award-winning local photographer John Brady took over management of the Gardens and is determined not to let it become another extinct attraction.

unanimously approved a loan of \$3.5 million to the newly established non-profit group, the Bonita Wonder Gardens. The loan will act as a down payment on the property which is privately owned by the Piper family. The Bonita Wonder Gardens have agreed to a 2 percent interest rate on their loan over a period of three years. Should the loan default, the city will then inherit the property and earn the right to sell the gardens to another party.

Established in 1936, Everglades Wonder Gardens is one of the last survivors of Florida's Golden Age of roadside attractions. The 3.5-acre lush botanical jungle has been a focal point of Bonita Springs since Bill and Lester Piper created the facility to rehabilitate injured animals. The Gardens remains a place for visitors to enjoy

The staff and volunteers focused on preserving this landmark while updating it with new flora and fauna. The Gardens have been reborn with elements such as dozens of bromeliads, a butterfly house and five large staghorn ferns in addition to legacy specimens, including old growth kapok, shaving brush and African mahogany trees. Nestled among all of this greenery and flowers are new and updated animal exhibits such as a flamingo pond, alligator pool with 40 gators, duck ponds, and turtle and tortoise exhibits.

Steve McIntosh described the place the Wonder Gardens will have in the development of Downtown and says, "This is an important project for Bonita Springs. Please get behind the Wonder Gardens and make it succeed."

## Rotary Sings: *In The Good Old Summertime*

In the good old summer time  
 In the good old summer time  
 Strolling through the shady lane  
 With your baby mine.  
 You hold her hand, and she holds yours,  
 And that's a very good sign,  
 That she's your tootsey, wootsey  
 In the good old summer time.

The 4-Way Test  
 of things we think, say or do.

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and  
**BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all  
 concerned?

## **This Morning's Invocation**

Good and gracious God, as we gather here today, we are grateful that we can be lifted out of ourselves and our private concerns to share with others in a fellowship of like-minded people. May the good-spirited banter between us, the fun of being together, and the awareness of a camaraderie in a common cause, enrich our lives.

Jolt us from lethargy about the world and our own community by a vivid awareness of the needs we can help to meet. We seek no glory for ourselves, only the good of the community and world we are privileged to serve.

We thank you for the physical food, and and social fellowship enjoyed here today. May some good ensue from this experience for ourselves and others. Amen.

Your finances. Your future. *Our focus.*
