

The Spoke

The FGCU Rotaract Club presided over the meeting which was called to or-

der by President Sherlyna. Rory read the invocation and Marco led us in the Pledge.

Brent did the Four Way Test. All came together to sing the song, Take Me Out to the Ball Game! Bob Lombardo gave us the Rotary Minute.

Sherlyna read our announcements which included reporting that the Club Social will be at The Trianon the following evening and for all to Save the Date for the Club Anniversary on November 10, 2018. Roger asked for takers on an extra ticket for a Water Quality discussion at the Hyatt the following week. Bob reminded us of the purpose of the Club Social which is fellowship and a Club makeup as well! Roger had a helper in Marco as he fined folks, introduced guests, collected Happy/Sad Dollars, and Happy Birthday wishes. The first job was to fine Dr. Brad for his "shower shoes",

This Morning's Invocation

Almighty God, recognizing our inadequacies as human beings we ask for wisdom and strength not our own, in order to be the best possible citizens in our community, and practitioners in our respective vocations. We pray not only for ourselves and for local needs and concerns, but for fellow Rotarians in clubs around the globe in order that dark corners of need worldwide might be illumined and transformed into brightness and hope. For food and fellowship we now offer thanks, and for the relationships we have with each other as together we pursue the avenues of service in the spirit of our Four-Way Test. Amen.

Dr. Wendy felt Roger should be fined since the shoes Dr. Brad had on were not shower shoes! They were slides! She was also "hopeful" that her family would stay

out of the ER from now on! Nancy was happy to be going out of town to see her granddaughter who will be turning 13. Dr. Steve had a happy

dollar to be in the 21st academic year of the Estero Interact Club. This year there are 70 students! Guests were announced including Trish Leonard who is not a

morning person! Trish will be helping promote the opening of the new NCH ER! Wendell McClurg III, System Director of Operations for Emergency Services NCH Healthcare System, was the speaker. Wendell told the group that the services provided at this new facility will be the same as those offered at their northeast campus. The facility will open in December with

41,000 square feet, of which 12,000 will be a full radiology suite. The 2nd floor will be doctors' offices and a surgery center. There will be an Open House that all will be invited to attend.

This week's program:

David Mance, Bonita Concert Band

Song: *This Land Is Your Land*

*This land is your land,
This land is my land
From California to the New York Island,
From the Redwood Forest
To the Gulf Stream waters;
This land was made for you and me.*

*As I was walking that ribbon of highway
I saw above me that endless skyway;
I saw below me that golden valley
this land was made for you and me.*

Vince Modarelli had a clever joke about Roger.

Dr. Brian was just minding his own business.

Nancy was happy about her granddaughter and Dr. Wendy debated shower shoes!
