This Morning's Invocation

As we come to the end of the month called Economic and Community Development Month being observed throughout the Rotary world, we are grateful for opportunities in the context of Rotary, to use our individual vocations to advance the cause of truth, fairness, and beneficence and to build better relationships in clubs, communities and countries. For this we request Your guidance and empowerment, as we commit ourselves to serving others, with glory given to You. Thank you for the food prepared for us and for the fellowship which binds us together in doing Your will in the world. Amen.

Roger thanked Mark G. for organizing the Sugar Tour—see the pictures in this issue—and accidentally welcomed the speakers because they didn't sit at the correct table!

Lori Johnson, prospective member and wife of Charlie, put in another pitch for her membership—which she didn't need to do!

Sara reminded us of the 3rd Annual Santa on The Sand at Lovers' Key, Sunday, December 8, 1—4 pm. John Flammang and Steve Kissinger asked for a shout out for their birthdays.

Dave McKay from the David Lawrence Center discussed the history of the opioid epidemic and ways they help their patients get well.

Song: Monster Mash

I was working in the lab, late one night
When my eyes beheld an eerie sight
For my monster from his slab, began to rise
And suddenly to my surprise

He did the mash, he did the monster mash
The monster mash, it was a graveyard smash
He did the mash, it caught on in a flash
He did the mash, he did the monster mash

From my laboratory in the castle east
To the master bedroom where the vampires feast
The ghouls all came from their humble abodes
To get a jolt from my electrodes

They did the mash, they did the monster mash
The monster mash, it was a graveyard smash
They did the mash, it caught on in a flash
They did the mash, they did the monster mash
