Mark Generales read the invocation, Diane Ewing did The Four Way Test and Joe Murgalo lead us in The Pledge of Allegiance. President Kae thanked the staff at Shangri-La for hosting us for the last many months!

Kae also welcomed Mark back and said we couldn't sing without him. Interim Song Meister Donna Marcotte took offense—not really! She was glad to see Mark return, too!!

Just one week before our return to Bonita Bay, we had a special visitor. Our former server, Walter, made a surprise visit!

We had several visitors, including former member and Club President Sandra Hempstead!

We also welcomed other friends who have been absent for several months including Diane, who was sporting some new footwear!

John Wharton, Docent from REVS and President of the Bonita Naples Club delighted the members with stories and pictures of rare and expensive automobiles in what is considered one of the finest car museums in the country!

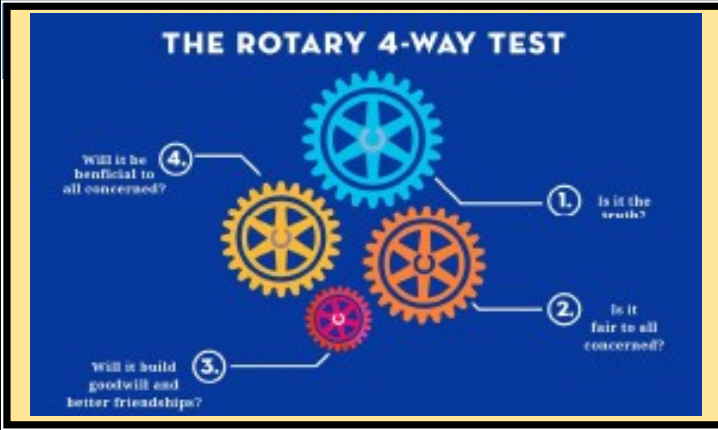

This Week's Program:

Back to Bonita Bay!
First EZ CA\$H Drawing!

This Morning's Invocation

Good and Gracious God, we pray for Your presence and benevolent power to be felt by our friends and family as they deal with the uncertainties of life. We hold in prayer also that vast number of people around the world who are benefiting from the generous work of the Rotary Foundation, the object of this month's designation. Take all efforts expended by Rotarians and use them in accord with Your will. Use each of us in our own spheres of influence to make life better for someone else. For the material things of life which we have in comparative abundance, we offer our thanks including food to sustain our bodies. Thank you also for the ability to enjoy fellowship with others, and with You in prayer. Amen.

Rex Sims rose to explain the his previous week's comment that Rex and his guest had decided to come to the Rotary meeting while in a bar. The comment was made in front of Rex's pastor and Rex wanted everyone to know that they were in a bar but were drinking sarsaparilla. **Bobbi Bird** reported very successful beer and wine sales at Riverfest. She also warned that **Dave Langendorfer** (rr) would be back next week.

Member Spotlight Marjorie Rubacky
Born in Washington, D.C., **Marjorie Rubacky** began her career in a most exciting way; her first job was on Capitol Hill in the office of the U.S. Representative from New York. After falling in love with Gerry, a Georgetown med student, she started a second career as a mom. Once the children were in school, she returned to the business world in the banking field. As banks began to downsize and lay off employees, she started her own executive search firm out of her home and later grew the company to the point where she needed larger quarters in New York City. Later she became involved for 20 years in the outplacement field before retiring to Bonita Springs. Since "retiring" Marjorie has been busier than ever – chairing a capital campaign for the Center for the Arts, working to re-open the Bonita Springs YMCA, and in various positions with the Chamber of Commerce, The Assistance Office of Bonita Springs, the B.S./Estero Economic Development Council, Hodges University, and on the re-election committee for Mayor Ben Nelson. Her commitment to her community is wide ranging and impressive and Marjorie's devotion in that regard has been recognized by her friends and colleagues as she was the recipient of the 2010 Love of Bonita Award, Zonta Woman of the Year, Volunteer of the Year of the YMCA and our own Club's Service Above Self Award.
