

President Eileen rang the bell. Gary Price read The Invocation. Joe Murgalo led us in The Pledge of Allegiance. Kelli Groom did The Four Way Test!

Interim Song Lead Donna Marcotte attempted to lead the members in This Land is Your Land, only to be rudely interrupted by some technical audio sounds!! It was most likely perpetrated by Joe Murgalo!!

President Eileen red her Rotary Inspiration, the definition of Rotary! Also, this week, Rotary recognizes Heathcare Professionals. She further reported on the 100 year old Banyan Tree in Riverside Park, where the Rotary Clock is located.

President Eileen reported that all four of the grants we applied for were accepted, one was for literacy and another with New Horizons.

President Eileen also passed out a list of Club Committees and encouraged all to participate.

Ruth Condit gave her Rotary Introduction from her childhood until now!

Our own District Governor, Neil Snyder was introduced by Wayne Hempstead. Neil, from The Rotary Club of Marco Island, started his update off with a bang.

This Morning's Invocation:

God, who has set before us high standards and expectations, we come prayerfully to you as men and women who seek to be diligent in meeting the expectations inherent in our identity as Rotarians. In home and office, in stores and schools, and in all public places in which we are under scrutiny, help us not betray the moral and ethical standards we profess to hold. May our presence here today remind us of who we are. Help us to renew our commitments to the qualities we revere as Rotarians. And now for the nourishing gift of food and the nurturing gift of our being together, we offer thanks. Amen.

Song: This Land Is Your Land

This land is your land and this land is my land
From California to the New York island
From the redwood forest to the Gulf Stream waters
This land was made for you and me

As I went walking that ribbon of highway
I saw above me that endless skyway
Saw below me that golden valley
This land was made for you and me

This land is your land and this land is my land
From California to the New York island
From the redwood forest to the Gulf Stream waters
This land was made for you and me
