

Freedom

Let Us Pray,

Almighty God, as You bless America with Your unbound grace, we pray all to take renewed freedom we are experiencing seriously. Rotarians understand that we are blessed to share our gifts with gratitude and a spirit of respect for others' health and well-being. As we gradually progress to total freedom of movement and affiliation with others, we ask to never forget the tragedy that many others have endured during the worst of times. As professionals work to provide cures for illness, we pray all to understand these difficult times as a prologue to a world peace and dedication to improved health and wellness. In Thy name we pray, Amen.

Rotary Sings:

Timothy Kelly who owned a big store
Wanted his name painted over the door.
One day Pat Clancy, the painter man came,
Tried to be fancy and misspelled the name.

Instead of Kelly with double "L -Y, "
He painted Kelly, but one "L" was shy.
Pat said, "It looks right, but I want no pay.
I've reasoned it out in my own little way."

If... I... knock the "L" out of Kelly,
It would still be Kelly to me.
Sure a single "L-Y" or a double "L-Y"
Should look just the same to an Irish man's eye.
Knock off an "L" from Killarney,
Still Killarney it always will be,
But if I knock the "L" out of Kelley,
Sure he'll knock the "L" out of me!
